Pop Culture
Grades 6-8

Introduction

Pop culture trends come and go like waves. Students will choose one trend and analyze how it has changed overtime. Then, they will explain how and why these changes occurred.

Learning Objectives

Students will be able to explain how one pop culture trend changed over time, as well as how and why these changes occurred.

Materials Needed

- Pop culture trend articles
-

Procedure

1. When you think of pop culture, you may think of what is “trending” online, the biggest hits on the radio, what everybody is wearing, or the television shows that everyone is talking about.
 2. As quick as these trends come, they also go. Analyze how one pop culture trend has changed overtime.
 3. Then explain how and why these changes occurred. Be sure to describe what the cause and effect for this change was.
